

Advisor Recruiting

Commonwealth has experienced steady growth due to its commitment to client service and quality work. With that growth, there are often employment opportunities for exceptional and highly qualified advisors.

If you are interested in exceeding client expectations while working in a fun and friendly environment, please contact us.

Other Opportunities

Commonwealth employs full time and part time marketing support, administrative support and paraplanners. Benefits are provided for all full time employees. All newly hired staff members are trained and paired with a mentor who works with them for a minimum time period to ensure a smooth transition into the firm. We believe that a well trained staff is what distinguishes us and allows us to provide value added service to our clients.

Summer Associate Program

Our summer associate program gives Junior and Senior year students the opportunity to gain valuable behind the scenes experience. Summer associates work side-by-side with our advisors, planners and staff on case design, presentations, and research. Our summer associate program gives students an opportunity to learn from experienced advisors and gives Commonwealth an opportunity to introduce top-notch students to our firm with the possibility of future employment.

Commonwealth is an equal opportunity employer and adheres to a policy of making employment decisions without regard to race, color, religion, sex, age, national origin, or disability.
